TOWN WARRANT

The State of New Hampshire

To the inhabitants of the Town of Brookline, in the County of Hillsborough in said State, qualified to vote on Town Affairs:

You are hereby notified to meet at Daniels Academy Building in said Town of Brookline on Tuesday, the Tenth day of March next, at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray Town Charges for the ensuing year, and make appropriations for same.

3. To hear reports of Agents, Auditors, Committees and all other officers heretofore chosen, and pass any vote relative thereto.

4. To see what sum the Town will vote to raise and appropriate for Highways and Bridges.

5. To see what sum the Town will vote to raise and appropriate for the Public Library.

6. To see if the Town will vote to authorize the Selectmen to distribute inventory blanks when assessing, instead of mailing.

7. To see what sum the Town will vote to raise and appropriate for Cemeteries.

8. To see what sum the Town will vote to raise and appropriate for Memorial Day.

9. To see if the Town will vote to raise and appropriate the sum of \$435.31 to secure State Aid for permanent improvement of Highways.

10. To see if the Town will vote to authorize the Selectmen to renew the license of Brookline Speedway Inc., for conducting auto racing and other sports permitted by State Law, in the town of Brookline on Sundays.

11. To see if the Town will vote to allow any discount on taxes.

12. To see if the Town will vote to authorize the Selectmen to sell any property taken by Tax Collector's deed, or take any action relative thereto.

13. To see if the Town will vote to raise and appropriate the sum of \$300.00 for the purchase of "Scott Air-Paks" for the fire department, under Civil Defense Matching Funds, or take any action relative thereto.

14. To see if the Town will vote to raise and appropriate the sum of \$60.00 to be used to cover the expense of swimming lessons for the children of Brookline, or take any action relative thereto.

15. To see if the Town will vote to raise and appropriate the sum of \$100.00 for the purchase of necessary forms and equipment for the Police Department, or take any action relative thereto.

16. To see if the Town will vote to authorize the Selectmen to renew the "Rent of Town Hall to Brookline Grange Contract" for a period of three years, or take any action relative thereto.

17. To see if the Town will vote to grant permission for Brookline Grange to erect an Historical Cannon on the lawn at Daniels Academy Building, or take any action relative thereto.

18. To see if the Town will vote to charge a twenty cent penalty on each poll tax remaining unpaid after September first, or take any action relative thereto.

19. To see if the Town will vote to raise and appropriate the sum of \$100.00 for spraying of elm trees against Elm Tree Beetle, said sum to be used where property owners have contributed 50% of the cost of spraying elm trees on their property, or take any action relative thereto.

20. To see if the Town will vote to raise and appropriate the sum of \$300.00 for cutting and removing trees, or take any action relative thereto.

21. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

22. To see what sum the Town will vote to raise and appropriate for Civil Defense.

23. To see if the Town will vote to raise and appropriate the sum of \$500.00 for the purchase of new fire equipment, or take any action relative thereto.

24. To see if the Town will vote to raise and appropriate the sum of \$1,000.00 to be added to the "Capital Reserve Fund for Fire Equipment" or take any action relative thereto.

25. To see if the Town will vote to authorize the Selectmen to enter into a contract for janitor service at Daniels Academy Building, or take any action relative thereto.

26. To see what sum the Town will vote to raise and appropriate to hot-top the walks and building apron, and to make kitchen improvements at Daniels Academy Building.

27. To see if the Town will vote to authorize the setting aside of \$500.00 from the "Town Hall Fund" for a fire escape at Daniels Academy Building, and authorize the Moderator to appoint a committee of three members to procure and install same, provided the cost does not exceed \$500.00, or take any action relative thereto.

28. To see if the Town will vote to raise and appropriate the sum of \$30.00 to join the N. H. Municipal Association.

29. To see if the Town will vote to raise and appropriate the sum of \$25.00 to be expended in cooperation with the N. H. Forestry Commission for the opening and maintaining of trails and old roads for forest fire protection. The N. H. Forestry Commission to provide a matching sum not in excess of \$25.00 for this purpose.

30. To see if the Town will vote to authorize the Selectmen to enter into contract for the care of the Town Dump, or take any action relative thereto.

31. To see if the Town will vote to create a Planning Board, or take any action relative thereto.

32. To see if the Town will vote to accept the following legacies:

The sum of \$200.00 from Waldo Thomas, the income from same to be used for the perpetual care of the Harold and Waldo Thomas Lot in Lakeside Cemetery.

The sum of \$200.00 from the estate of Leslie W. Ranney, the income from same to be used for the perpetual

care of the Albert W. Whitcomb Lot in Pine Grove Cemetery.

The sum of \$75.00 from George MacClarey, the income from same to be used for the perpetual care of the Ring Lot in Pine Grove Cemetery.

The sum of \$100.00 from Isabel J. DuPaw, the income from same to be used for the perpetual care of the E. Maud Jacobs Lot in Pine Grove Cemetery.

The sum of \$100.00 from Edna A. Hall, to be added to the Alpha A. Hall perpetual care fund, the income from same to be used for the perpetual care of the Alpha A. Hall Lot in Lakeside Cemetery.

33. To see if the Town will authorize the Trustees of Trust Funds to invest up to one half of legacy funds in mutual funds as approved by the State, or take any action relative thereto.

Given under our hands and seal, this twenty-first day of February, in the year of our Lord nineteen hundred and fifty-nine.

ROBERT J. REED
NASON W. FESSENDEN
DAVID R. GROGAN

Selectmen of Brookline, N. H.

A true copy of warrant attest:

ROBERT J. REED
NASON W. FESSENDEN
DAVID R. GROGAN

Selectmen of Brookline, N. H.

POLLS OPEN AT 9:00 A. M.

SELECTMEN'S REPORT

TOWN HALL

The cement walks and the cement apron around the Daniels Academy Building are in bad repair, and we recommend that they be capped with hot-top to prevent further erosion.

Due to the damage caused by the recent boiler back-fire there are some repairs to be made in the kitchen. There having been some discussion about cutting a window from the kitchen into the banquet hall, we feel that this should be done before the repairs are completed.

POLICE COURT

Once again the municipal court becomes active with the appointment by Governor Dwinnell of Everett Hurley as the Justice.

ROADS

The joint T. R. A. funds were used last year to continue rebuilding the Old Milford Road, and this year's funds are to be used for completing this road.

PISTOL PERMITS

As an added security measure and also a deterrent for anyone with a criminal record, the Selectmen have requested all applicants for pistol permits to be fingerprinted by the Chief of Police before said permits are issued.

TAX EXEMPTION OF CHARITABLE TRUSTS

The Selectmen have engaged the services of a Concord Law firm for the purposes of investigating the application of Camp Tevya as a Charitable Trust. Some progress has been made and it is hoped that there will be another report received before Town Meeting. However, we should bear in mind that should this property qualify for exemption, the Town will lose approximately \$50,000.00 in valuation and this would seriously effect our fiscal policies.

COMPARATIVE STATEMENT OF APPROPRIATIONS AND EXPENDITURES

Route 13 Near Camp Tevya		14.50
		\$ 346.89

Number of fires—3
Acres Burned— 3.9
Permits Issued—115

The new radio for the Forest Fire Warden has arrived but due to the fact that it will be impossible for me to accept the appointment for another term the radio has not been installed. It is all ready for your new warden as soon as he is appointed.

Your cooperation during my term as Warden has been most helpful and this year's record is a great credit to your fire prevention efforts. Keep up the good work by obtaining a permit for all outside fires and reporting fires that are out of control promptly.

O. D. FESSENDEN
Forest Fire Warden
Brookline, N. H.

MEMORIAL DAY REPORT

With the cooperation of a few businesses in town we were able to put on a Memorial Day Service.

		<hr/>
Total Expenditures	\$	146.71
Balance December 31, 1958	\$	58.95
Generator Fund	\$	68.68

During the past year the Brookline Civil Defense Unit has taken an active part in the alerts held by State and National Civil Defense.

First Aid classes were held with Mrs. Mary Carr of Bedford as instructor. Twenty-one people completed the standard course and a smaller group completed the advanced course.

We have watched the war surplus lists and have purchased many articles for use of the Police and Fire Departments as well as Civil Defense. These articles valued at \$337.93 cost the town \$26.95

A radio relay was installed from the radio at the Fire Station to the home of the Chief of Police enabling him to operate the radio from his home. The cost of the necessary equipment was shared by the Police and Fire Departments and the Civil Defense.

This relay was installed by members of the Police Department, assisted by Channing Mould, Lawrence Corey, Donald Burke and Mr. Hildrith of Hollis at no cost to the town.

I wish to thank those who have assisted me during the past year.

Respectfully submitted,

HAROLD F. BURGESS,
Director

REPORT OF POLICE DEPARTMENT

Alvin Taylor (Patrolling and investigations) March 11, 1958 to Dec. 31, 1958, 1071 Hours, 3087 Miles

All other officers voluntary and paid police work, 263 Hours.

This does not include the many hours that Mrs. Anita Taylor has put in operating the Brookline Base Station Radio, which has increased the efficiency of the police department and has been of great aid in many emergencies. This radio has been in operation at least 16 hours a day since its installation in July 1958. There has been no cost to the town for this unit, except for installation, as it has been manned free of charge.

DISTRICT NURSE REPORT

The State Department of Health, with the cooperation of local registered nurses and townswomen conducted a series of three Immunization clinics for pre-schools in the parlors of The Church of Christ, at Brookline, N. H. in June, July and August.

Mrs. Gladys Bergh was chairman of the project, assisted by Mrs. Marie Jones, Mrs. Lorraine Dubben, Mrs. Louella Montgomery, Mrs. Anna Barnaby, Mrs. Agnes Homoleski and Mrs. Marguerite Porter.

Doctor Alexander Law was in charge of Immunization assisted by Jacky Beaubien, R.N., Marcia Bolton, R.N. and S. G. Jeffreys, R.N.

Salk Vaccine for prevention of polio; triple toxoid for prevention of whooping cough, diphtheria, and tetanus; and small pox vaccine for prevention of small pox was given to pre-school children.

An epidemic of whooping cough curtailed the number receiving their inoculations.

The women who worked at the clinic deserve much credit for their efforts to keep Brookline healthy.

Margie Wheeler furnished publicity for the clinics.

MARIE H. FAHEY

State Nurse

YOU CAN HELP PREVENT FOREST FIRES

Twenty-five percent of all forest fires in New Hampshire are caused from careless debris burning—brush, paper, leaves, etc. Most of them are started without the required permit from the local forest fire warden. The cost of extinguishing these fires annually runs into large sums of money.

According to law, responsible parties must pay the cost of putting them out. In addition, violators may be subject to court prosecution with fines running as high as (\$200) two-hundred dollars.

In the interest of fire prevention why not eliminate burning at home? Use your town dump. It has been set up for your personal convenience. It provides a suitable place for the disposal of dangerous inflammable waste material and other useless items which accumulate around the home and local stores; brush, etc. cut on your property. Eliminate the hazard of burning yourself. It will be easier for you—personally and financially.

If, however, you do burn on your premises:

1. Secure a permit from your local forest fire warden—the law requires it.
2. Be sure to properly supervise your burning. Don't leave it.
3. Make certain your fire is DEAD OUT before leaving it.

Save yourself much possible difficulty. Use your town dump.

Number of local fires, 3; Number of acres burned, 3.85; Number of permits issued, 88.

WARRANT FOR ANNUAL SCHOOL MEETING
The State of New Hampshire

*To the Inhabitants of the School district in the town of
Brookline qualified to vote in district affairs:*

You are hereby notified to meet at the Town Hall in said district on the Fifth day of March 1959, at eight o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district and to authorize the application against said appropriation of such sums as are

estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

9. To see if the district will raise and appropriate the sum of \$500.00 to increase and improve the toilet facilities at the Primary Building.

10. To see if the district will vote to raise and appropriate the sum of \$5,000.00 to be paid into the Capital Reserve Fund for construction and equipment of a new school building.

11. If the above article is not approved, to see if the district will raise and appropriate the sum of \$2,500.00 to be paid into the Capital Reserve Fund for the construction and equipment of a new school building.

12. To see if the district will vote to petition the state board of education to become a part of a cooperative school district, said cooperative school district to include the present school districts of Brookline and Milford, and may include also, one or more of the present school districts of Mont Vernon and/or Amherst and/or Wilton and/or Lyndeboro if said districts shall also vote at their 1959 school meetings to so petition the state boards of education and shall be approved for inclusion by said board in accordance with Revised Statutes Annotated, Chapter 195 and to elect two representatives for the School District of Brookline, New Hampshire, to serve on an interim committee with like representatives from the School District of Milford and other like representatives from the other participating district or districts as shall be chosen by said districts to prepare a financial budget for the operation of the proposed cooperative school district and to include in the organization war-

rant for such cooperative school district an article calling for an appropriation for the first year and to arrange for such other items of business as need to be acted upon at the organization meeting.

Given under our hands at said Brookline this Thirteenth day of February 1959.

I certify that the above is a correct statement of the obligations authorized, and the amounts to be assessed to meet statutory requirements and appropriations made at the annual meeting of the Brookline School District held March 6, 1958.

MRS. RUTH McGHEE
Clerk of the School District

ADMINISTRATION

I herewith present my twentieth annual report, consisting of this discussion together with other reports printed herewith.

Instruction

Changes

Mrs. Corey- replaced last spring by Mrs. Neugebauer and then this fall by Mrs. Mildred Montrone.

Mrs. Shea- replaced by Mrs. Marion Lewis—Mrs. Lewis, in turn could carry on only to Christmas and now Mrs. Helen Nutting of Greenville, a former teacher in Hollis, has agreed to continue the rest of the year.

Salaries

The average salary of classroom teachers in N. H. follows:

	1958-59	1957-58
Elementary	\$3,981.00	\$3,721.00
Secondary	4,418.00	4,156.00
All	4,151.00	3,888.00

About 6.8% increase

Since we are competitive with neighbors, consider:

		58-59	57-58	56-57
Nat'l. Ave.	N. H. was lower by	\$624.00	\$630.00	\$600.00
Mass.	N. H. was lower by	799.00	760.00	705.00
Rhode Island	N. H. was lower by	774.00	885.00	905.00
Conn.	N. H. was lower by	1,199.00	1,060.00	1,030.00
New York	N. H. was lower by	2,049.00	1,797.00	1,930.00
Vermont	N. H. was higher by	176.00	290.00	320.00
Maine	N. H. was higher by	326.00	490.00	595.00

The differential between our state and the two last states is rapidly closing and the differential in four of the other states is so much higher that it is almost impossible to recruit teachers from Maine or Vermont.

A comparison of teachers with labor or professions is constantly made. Labor works approximately 40 hours per week for 50 weeks or 2,000 hours per year. Some teachers testify to 48 hours for 40 weeks or 1,920 hours per year. Surely the professions, teaching is considered a

profession because post-secondary professional training is a pre-requisite to employment, would work as many hours as labor. Therefore, some agreement should be possible as to what per cent of labor or profession yearly time the teacher is employed. The claims range from 50 to 85%. If we chose an arbitrary figure of 70%, with an average salary of \$6,000 for skilled labor and \$8,000 for professions, thus we justify an average salary of \$4,200-5,600. Choosing a higher percentage, and many would argue for a much higher one, the average salary of classroom teachers would increase. To my mind, these averages have not yet been reached.

The whole purpose of this discussion is to plead for proper recognition of your teachers—a basic necessity in these days of many miracles—before the levelling off of fiscal matter takes place, leaving inequities unadjusted. We need money to recruit the best candidates to go into teaching and must pay them well to keep them as teachers.

Costs

To keep you aware of our costs as compared with others, I present the following:

	Total cost per Elem. Pupil	Total cost per H. S. Pupil
Amherst	228.30	
Brookline	172.16	
Hollis	207.58	321.14
Milford	212.89	310.31
Mont Vernon	176.75	
Bedford	241.86	
Merrimack	220.49	265.68
Nashua	244.60	388.62
New Boston	213.24	411.33
Wilton	258.94	299.26

These costs do not include transportation and capital outlays and are for 1956-57, the last tabulation available. Five other districts adjacent to this Union are included to show what their financial problem is as well as those of this Union. If later figures were available, the probability is that the same comparison would hold as illustrated above. The average for all pupils in N. H. in 1956-57 was \$235.04 for Elementary and \$350.32 for High School.

Some Observations

"That scholars will not improve under the best of teachers unless they themselves study or are made to study. The teacher can direct, but the scholar must learn." Such is the quote from a town report of a hundred years ago. Is it none-the-less true today?

President Eisenhower in a recent statement speaks in terms of education as a critical area and needing "goals or standards." We look with interest for a development of this idea. Would it be appropriate in America or is it too Russian for our thinking? Does it mean that everyone must take the same work?

Dr. Conant has just published his report of a two year study of American high schools. What he has to say concerns all of us. In the first place he would eliminate the small high school and develop larger area comprehensive schools. He would require certain basic courses of all, place pupils in subject sections according to their ability, have vocational courses for the non-college students, encourage the top 15% to take more challenging courses, and give special attention to the highly gifted 3% and to pupils of low reading ability. In brief, these are his recommendations.

I make these observations because I think the impact of these opinions will be felt throughout the educational world in the next few years at least. We need to study them carefully.

Needs

We need desks and chairs in one more room to complete the modernization of those facilities.

Appreciation

The writer is very grateful to all the School Boards, Teachers, Parents, Pupils, and other associates for their contributions to another successful school year.

HAROLD C. BOWLEY

January 29, 1959

REPORT OF HEALTH SUPERVISION — 1957-58

HELPING TEACHER

In 1954 the first Helping Teacher's report was published. The program was then in the process of development and its main phases were discussed.

Now, after five years, the role of Helping Teacher seems to have crystalized to a considerable degree. The basic purpose will continue to be the same—to help. Since the sole aim of the school is to educate our children the role of Helping Teacher must be that of help to all concerned with this task. The following is a summary of many of the activities at present connected with this position.

Work with and for the Teachers

Class visitations whenever possible average one a week for each teacher. During these visits the teacher's needs are noted and problems considered. Conferences are arranged if the teacher so desires.

Individual and group conferences are concerned with scheduling, daily and long-range plans, curriculum development, teaching techniques, pupil problems, grouping, promotions, special problems for retarded and gifted, educational materials, etc. Also, through individual conferences, progress reports designed to keep the curriculum coordinated as to subject matter, time allotment, and materials, are made twice a year.

The Joplin Plan for better grouping and reading now in effect in four schools requires continued evaluation and consideration.

The Helping Teacher's Bulletin, written each month, is intended to offer helpful suggestions, and to share ideas and useful information.

Group testing. We have a regular testing program from pre-school through Grade 12. Reading readiness tests are given in August to the in-coming first graders. The results are evaluated and the children grouped according to their needs. Other group tests are reading and mental maturity in Grade One, reading in Grade Two, and by alternation reading, mental maturity, arithmetic and study skills in

Grades Three through Nine. A yearly program of reading and language testing is conducted in Grades 10 and 12. Much time is spent in evaluating the tests, interpreting the results and making them available to the teachers. A comparison is made with the results on a Union-wide and on a National basis.

Illustrated talks on various countries and regions of the world are given whenever requested by the teachers. These serve to enrich the social studies program.

Help is given in the selection and use of educational and professional books and materials.

Much work is done with and through the Principals who, without exception, are very cooperative.

Work with Pupils

Pupils are tested individually when it seems necessary to have additional understanding of their particular needs, or when previous records are incomplete. Upon occasion special help is given an individual or a group. This might be a group activity, remedial work, or even helping a left-handed pupil to write.

Conferences are held with pupils who might be having problems concerning work or behavior.

Clinics and first grade registrations in the several towns provide opportunities for help.

Work with Parents

Many contacts with parents are possible through the reading readiness program. Parents are present when the children take the tests and desire conferences when the results are made known.

Children having difficulty in making adjustments to any of the many phases of school life are referred to the Helping Teacher by the

parent. Contact with the parent must be maintained as long as the problem exists.

Miscellaneous Activities

Planning and organizing workshops, extension courses and other in-service training.

Collecting and distributing educational and professional materials.

Serving on the Steering Commission—a local teachers organization.

Attending school board meetings—Milford regularly, others upon invitation.

Speaking at P. T. A. and other meetings.

Devising tests for certain subject units, but particularly for reading readiness to suit our own needs.

Activities outside the Union would include attendance at Helping Teachers and other educational meetings, conferences at the State Department of Education for the development of a state-wide testing program, as a speaker or consultant at workshops or study groups.

Cooperation on the part of all those directly or indirectly associated with the above program has been responsible for any measure of its success. And so to the Parents, Teachers, Principals, Members of the School Boards, and Superintendent who have helped me to help our children I am very grateful.

Respectfully,

MABEL I. CONNOLLY

Helping Teacher

SYNOPSIS OF SCHOOL MEETING MARCH 6, 1958

Brookline, New Hampshire

Met according to the warrant, the warrant being read by Alton Jensen, Moderator, pro-tem.

1. Voted that the clerk cast one ballot for Alton Jensen, moderator. The vote was cast, and Alton Jensen was declared moderator and took the oath of office before the clerk.

2. Voted that the chairman of the School Board cast one ballot for Ruth L. McGhee, Clerk. The vote was cast and Ruth L. McGhee was declared elected and took the oath of office before the Moderator.

3. Voted that the clerk cast one ballot for Charles Rutter for member of the School Board for the ensuing three years. The vote was cast and Charles Rutter was elected.

4. Voted that the clerk cast one ballot for Louise Corey for Treasurer of the School Board for the ensuing year. The vote was cast and Louise Corey was elected.

5. Voted to pass the article to consider it later under the budget. Motion prevailed.

6. Moved to pass the article as there were no reports. Motion prevailed.

7. Moved and supported that the auditors chosen by the town be elected to serve as School District Auditors. Motion prevailed.

8. Voted that the district raise and appropriate the sum of \$57,088.79 for the support of schools, for the salaries of school district officers and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

9. Voted that the school district will adopt as its check-list the Town check-list as provided in R.S.A. 197:12 a, as inserted by Laws of 1957. Chapter 57; this provision to be effective for the 1959 and subsequent annual district meetings.

10. Motion defeated: 26 No; 19 Yes.

11. Voted that the district will raise and appropriate the sum of \$2,500.00 to be paid into a Capital Reserve Fund for the purpose of construction and equipment of a new school building.

12. Voted that the district choose a committee of five citizens to act with the School Board in the study of the expansion of school facilities, a cooperative school district or other solutions of school problems, said committee to report its recommendation to the next annual meeting or adjourned meetings of the same. Appointed by moderator: Sidney Hall, Wm. Dubben, Edna Reed, Ben Holden, Steven Homoleski.

13. Voted Tuition will be paid by the school district for any student going to high school that will be accepted by the high school.

Motion to adjourn — True copy attest

RUTH L. MCGHEE, Clerk

REPORT OF THE SCHOOL STUDY COMMITTEE 1958-59

The present School Study Committee was authorized and instructed to investigate various aspects of school problems. The Committee, as originally appointed, consisted of the School Board plus William Dubben, Stephen Homoleski, Benjamin Holden, Sidney Hall, and Mrs. Robert Reed. Subsequent changes included appointments by the moderator of Thomas Arnold to replace Sidney Hall and Orville Fessenden to replace Benjamin Holden.

In order to carry out the motion of the School Meeting, the Committee divided itself into three divisions to consider:

a. *A Cooperative School Program*: This division of the Committee coordinated with Cooperative School Committees in nearby towns. It now appears that some information will be presented to School Meetings in Milford, Wilton, Lyndeboro, Amherst, and Mount Vernon on this subject. It does not appear that final action will be taken this year. The Cooperative School District, if formed, will include Primary as well as Junior High and High Schools with each town retaining Primary Building in their town, but under the management of the Cooperative School District. Credit for present buildings will be on the basis of value and age.

b. *Tuition Students*: This division of the Committee, due to the unsettled condition of the Nashua school situation, has been unable to make any specific contacts. At this time there appears to be no cause for concern regarding the situation of our tuition students.

c. *Analysis of School Enrollment Growth*: This division of the Committee analyzed past growth in the school population and projected future growth trends. It is estimated that by 1963 the first six grades will consist of approximately 160 children as compared to a present enrollment of 120. However, the extremely large number of children born during 1958 indicates that the year 1964 will see a school population growth significantly greater than the 7 students per year experienced over the last 15 years.

As a result of the above, the Committee recommends to the School District that:

a. A Committee be kept active to continue the study of the school enrollment problem and make recommendations to future School District Meetings, particularly with respect to the timetable of expansion.

b. The School District appoint a Building Committee in 1961 with instructions to submit complete plans for added facilities to the 1962 School District Meeting and provide funds for this purpose.

c. The School District act in 1962 on the plans submitted and authorize the necessary bond issue in order that construction may be complete for the fall of 1963.

d. The School District place the maximum amount in a Capital Reserve Fund for this project.

Respectfully submitted,

SCHOOL COMMITTEE

WILLIAM DUBBEN, Chairman
TERENCE DENEHY
RANDI BREMER
CHARLES RUTTER
EDNA REED
STEPHEN HOMOLESKI
THOMAS ARNOLD, JR.
ORVILLE FESSENDEN
